

# ARE YOU THE VICTIM OF A CRIME?

## WE CAN HELP

If you have a non-criminal legal problem and live in or have been a victim of crime in any of the counties outside of New York City, New York Crime Victims Legal Help can connect you with legal assistance on issues related to your housing, family, employment, finances, and more.

## KNOW YOUR RIGHTS

The Know Your Rights library has information about your rights as a crime victim and other information that may help you understand your options. You can also find a number of legal forms that may help you take the next step to resolve your legal issue.

## FIND LEGAL RESOURCES

If you know the kind of legal assistance you need, the Legal Help Directory can direct you to the right information and service providers. You can use LiveHelp to chat with someone who can direct you to the right resource.
